ILS 2022

LEARNING for
TRANSFORMATION
15TH & 16TH DECEMBER 2022

We live in a knowledge century. Earlier, growth of the nations and civilizations, required resources such as money, material and manpower. While all these still play a vital role, it is the knowledge, information and the skills that separates winners and winning organisations from the rest. Transformation is a developmental process and it helps in being relevant and contemporary. Over the time, we have observed many people and organisations getting transformed for the better.

Transformation results in vitality, respect, importance and of course, dependence. The only way to get transformed is through learning. Thus, it is the attitude and readiness to learn that facilitate transformation.

“**LEARNING FOR TRANSFORMATION**” is the theme for **INTERNATIONAL LEARNERS’ SUMMIT - 2022 (ILS 22)** being conceived and executed by Kochi chapter of Indian Society for Training and Development (ISTD) in association with the Deen Dayal Upadhyaya KAUSHAL Kendra (DDUKK) of the Cochin University of Science and Technology (CUSAT) on 15th & 16th of December 2022 at the Maria Philip Auditorium, XIME, Kalamassery, Kochi. Spread over 2 days, the summit will begin on 15th December with the inaugural function, followed by technical sessions in the form of Keynote addresses & Panel discussions on the day 2, ending with the Valedictory Address on 16th December, partaken by eminent experts, scholars and corporate personas.

The sub-themes for the Panel Discussion / Keynote Address are: • **Learning through Technology** • **Experiential Learning** • **Leadership Learning** & • **Life Long Learning**.

Additionally; ILS 22 will have concurrent and parallel sessions for, 1. **Paper presentation by short-listed scholars from academia and corporate on the theme “Learning for Transformation”** and 2. **“Champion Trainer - 2022”** contest for the aspirant trainers who register for the same.

INDIAN SOCIETY FOR TRAINING & DEVELOPMENT (ISTD)

ISTD was established in April 1970 and is a premier institution in the field of Learning, Training and Development in the Country. Headquartered at New Delhi, ISTD has over 10000 individual and 1000 corporate members within 50 plus chapters spread across the Country. It represents thought leaders from Government, Public sector, Private sector as well as Academia. ISTD offers a variety of expertise in the form of training programmes, interventions, research and networking. ISTD's flagship programme - Diploma in Training and Development has an impressive list over 30000 alumni who have benefited from its strong academic and industry connected content. This Diploma is recognised by the Ministry of Human Resources Development and also approved by the Department of Personal and Training (DoPT), Government of India.

ISTD – KOCHI CHAPTER

ISTD Kochi chapter was formed 15 years back and within the short span, it has established itself as a leading professional body in central Kerala, having won many awards from ISTD NHQ as Best Chapter, Best ISTD Member & ISTD Fellow. The Chapter has been in the forefront in Kerala for learning and dissemination of knowledge for both corporates and academia having the experience of conducting International Learning Conferences, National Trainer's Summit & National Conferences in the past. ILS 22 is designated to be a landmark event being attended by participants from many parts of the country and the globe. Other regular activities of the chapter include Training programmes, Professional networking programmes, Evening lecture programs, Industrial visits, Student chapter activities etc. as part of its annual calendar.
